

ORDINANCE NO. 2013-005

AN ORDINANCE AMENDING ORDINANCE #2002-2
(AN ORDINANCE ADOPTING A SEWAGE COLLECTION SYSTEM
FOR THE TOWN OF CRESTONE, COLORADO)

WHEREAS, Ordinance 2002-2 adopted a sewage collection system for the Town of Crestone and addressed "Sewer Line Extensions" in Section 6 of said Ordinance; and

WHEREAS, the Town Board of Crestone has determined that issues involving sewer main extensions should be addressed by Town Staff rather than directly by the Town Board of Trustees, since extensions involve more technical and capacity determinations rather than policy issues.

NOW THEREFORE, be it Ordained by the Board of Trustees of the Town of Crestone, Colorado that Ordinance 2002-2 (An Ordinance Adopting a Sewage Collection System for the Town of Crestone, Colorado) is amended to read as follows:

6. SEWER MAIN EXTENSIONS

6.3 All requests for sewer main extensions shall be submitted to the Crestone Town Administrator, and shall include an application for a sewer line extension. The Town Administrator, in consultation with the Public Works Coordinator, shall review the application for compliance with the Town's specifications and with other specifications and requirements appropriate to the situation. The Town Administrator shall determine whether the proposed extension is compatible with the needs and technical requirements of the Town as well as the capacity of the system. Any appeal of the Town Administrator's determination may be addressed to the Town Board of Adjustments.

6.6 A performance and maintenance bond equal to one hundred (100%) percent of contract (or construction cost) shall be furnished to the Town on all sewer main construction contracted for by the Town. The Town Administrator may waive the requirements for said bond based upon the prior satisfactory performance of the contractor

and/or in cases of minor line extensions where costs do not justify said bond.

THE TOWN BOARD OF TRUSTEES FINDS THAT THIS ORDINANCE IS NECESSARY TO THE IMMEDIATE PRESERVATION OF THE PUBLIC PEACE, HEALTH AND SAFETY, DUE TO THE NEED TO DEFINE PROCEDURAL POLICIES OF CITIZENS REQUESTING EXTENSION OF SEWER MAINS AND SHALL TAKE EFFECT AND BE ENFORCED IMMEDIATELY UPON THE FINAL PASSAGE OF THIS ORDINANCE

Passed by the Board of Trustees and signed this 13th day of May, 2013.
