

RESOLUTION 1998-1

Regional Sanitation Feasibility Study

WHEREAS, the Town Board of Trustees for the Town of Crestone, Colorado, also known as the Board of Health, for the Town of Crestone, Colorado recognizes the need to investigate all options available to its citizens for the highest possible health standards;

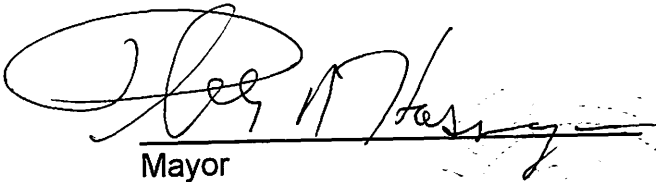

WHEREAS, the Colorado Department of Public Health is providing grant funding and the Baca Grande Water and Sanitation District is providing other required financial assistance for the investigation of a Regional Sanitation Feasibility Study;

WHEREAS, the Town of Crestone will only be required to provide in kind services in the form of providing information and records necessary to assist in said study;

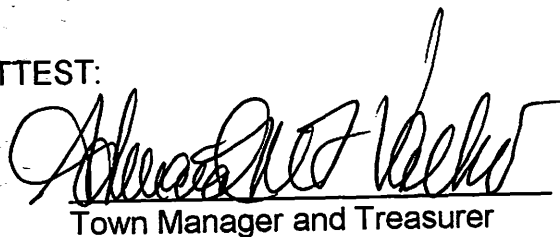

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF CRESTONE AS FOLLOWS;

That the Town of Crestone allow the Baca Grande Water & Sanitation District to complete a Regional Sanitation Feasibility Study to include providing sewer services to the Town of Crestone commercial district. An additional study to extend the sewer line to the North end of Alder Street will be considered secondary to the primary study of the commercial district.

Adopted this 4th day of March, 1998.
