A RESOLUTION AMENDING FIRE PROTECTION FEES OF THE TOWN OF CRESTONE, COLORADO LEVIED BY ORDINANCE 2008-006 AN ORDINANCE CREATING A MUNICIPAL WATER SYSTEM FOR THE TOWN OF CRESTONE

WHEREAS, The Board of Trustees of the Town of Crestone established a Fee Schedule in Ordinance #2008-006, "An Ordinance Creating a Municipal Water System for the Town of Crestone," adopted on September 8, 2008, to which reference is hereby made; and

WHEREAS, Ordinance 2008-006, Section 14.C., states that fees, rates, and charges may be amended ^{from} by time to time by resolution of the Town Board of Trustees; and

WHEREAS, the fire protection fee rates initially set in Ordinance 2008-006 have yielded revenue insufficient to fund the costs of installing and maintaining fire protection water storage, distribution, and hydrants, and the Town Board finds it necessary to increase such fire protection fees to more adequately fund these costs.

NOW THEREFORE be it resolved by the Board of Trustees of the Town of Crestone, Colorado, that Water Enterprise Fund fire protection fees are increased effective February 11, 2013, as follows:

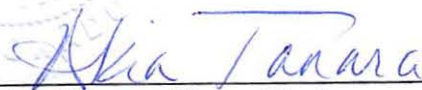

- (1) \$17.00 per 50' x 142' lot in residential zones.
- (2) \$24.00 per 50' x 142' lot in commercial zones.
- (3) \$13.50 per acre on parcels in rural zones.

Adopted this 11th day of February, 2013.
